

# Investing for Success

Under this agreement for 2022  
Richlands East State School will receive

**\$477 492\***

## This funding will be used to

### CURRICULUM, TEACHING and LEARNING

- Ensure 100% of teaching staff engage in collaborative Moderation (M1 and M3) and Case Management of students in the key learning areas of English (reading and writing).
- Ensure 100% teachers are given access to quality Curriculum Coaching and Mentoring.
- Increase the percentage of students receiving a C or higher for English.
- Ensure 100% of students increase their reading achievement each term.
- Close the Gap in student reading achievement results for diverse groups of students.

### STUDENT WELLBEING

- Ensure all students whose attendance is <85% are provided with a Case Manager to support their increased attendance at school.
- Ensure 100% of all identified students, and families, requiring tier 2 or tier 3 supports are identified with individualised support planned, implemented and reviewed.
- Ensure all identified students are provided with a Case Manager to support ongoing wellbeing and learning engagement.

## Our initiatives include

### CURRICULUM, TEACHING and LEARNING

- Providing time for teachers and curriculum leaders to meet and analyse student achievement and identify student learning needs.
- Providing a teacher aide in every classroom to support Literacy Block implementation.

### STUDENT WELLBEING

- Engaging in the Trauma Informed Practices - Community of Learning to further strengthen and broaden our current tier 2 and tier 3 practices supporting student and family wellbeing.
- Building staff understanding of the use of trauma informed practices to support student wellbeing and learning engagement. Support staff to plan and implement trauma informed practices into school contexts.
- Provision of 'Case Manager' support for students whose attendance is, or approaching, <85%.
- Provision of 'Case Manager' to support individual students who require wellbeing and engagement support.

## Our school will improve student outcomes by
